

Healthyenough

Internship Completion Certificate

Proudly presented to

Aryan Kumar

For successfully completing an internship programme as a Data Analyst Intern at Healthyenough. During his internship, he contributed to the collection, cleaning, and analysis of healthcare-related datasets using tools such as Python, Excel, and SQL. He focused on generating actionable insights, preparing visual reports, and ensuring data accuracy. His work supported decision-making processes and improved the overall understanding of business and product performance.
